

# GRID+BOUND

The first spiral-bound engineering notebook - designed for real use by real students.

## KEY FEATURES

- Durable spiral binding that keeps pages intact.
- Perforated pages tear cleanly with no remnants.
- Built-in kangaroo pocket for loose sheets.
- Green-tinted grid paper, printed double-sided.
- Three-hole punched and binder-ready.
- QR code for easy reordering and \$5,000-\$10,000 STEM grant entries.

## WHOLESALE PRICING
